EDUCATION.

Simla, the 8th June 1910.

RESOLUTION.

The Government of India have had under consideration the question whether certificates of identity should be granted to Indian gentlemen proceeding to America for the purposes of study, as is at present done in the case of Indian students going to Japan under the orders contained in the Home Department Resolution Nos. 481-492, dated the 15th November 1901.

2. It is believed that the grant of such certificates would be of use to the holders of them, and, with the approval of the Secretary of State, the Governor General in Council now desires to recommend all Indian gentlemen proceeding to America for purposes of study or otherwise to obtain before their departure from India, an authoritative certificate of identity, in the form appended to this Resolution, signed by the Head of the District (in a Presidency town, the Commissioner of Police) in the case of residents of British India, and by the Political Officer in that of residents of Native States. The District or Political Officer will endorse on the certificate of identity his opinion whether the person is or is not a British subject "by birth" or "by naturalization" or a subject of a Native State. Quarterly returns of the certificates granted will be submitted by the Local Governments and Administrations to the Government of India for transmission to the British Embassy at Washington and to His Majesty's Secretary of State for India. But, to avoid delay, the District or Political Officer, when granting or countersigning a certificate will, at the same time, send a copy of the certificate direct to the British Embassy at Washington and also send a duplicate copy of it direct to the Under-Secretary of State for India.

3. Local Governments and Administrations are requested to take steps to secure that all reasonable facilities are given for obtaining certificates of identity, and that wide publicity is given to these orders.
